## "HOLLYWOOD EXTRAVAGANZA"

*Tickets Still Available*

Our final concert will offer something unique to Beaufort concertgoers! **April 18 and 21**, "Film Score in Reverse" showcases our own Beaufort Symphony Orchestra providing live music on stage while sequenced clips from some of the most famous movies of the Silent Age are projected on a movie screen. This program, known as 'Flicker,' includes musical selections from 'A Night On Bald Mountain,' 'Danse Macabre,' 'Peer Gynt Suite,' 'Finlandia' and 'The Firebird Suite.'

To ease congestion in the entrance foyer at the *USCB Center for the Arts*, our will-call table is now separate from the new ticket purchases.

The Beaufort Symphony Youth Orchestra String Quartet will perform for the last time in the lobby at the concert. Two players were accepted to the Governor's School for the Arts (thanks

to opportunities through the BSO, etc.). Next year, a new quartet will form, so come a half hour early to hear them and send them off.
