The Beaufort Symphony Orchestra has come a long way since its founding in 1986. Our Conductor, Maestro Frederick Devyatkin, directs an ensemble of over 55 professional musicians whose repertoire ranges from Hollywood and Broadway tunes to classical masterpieces. In addition to conducting the Beaufort Symphony Orchestra, Maestro Devyatkin leads our Youth Orchestra program that attracts students from around the region (Beaufort, Bluffton, Hilton Head, and Savannah). His quest for broadening the hearts and souls of our young musicians began sixteen years ago and has grown ever since. Under the Maestro's guidance, our mission is to inspire our students to

Develop a passion and love of music
Teach that hard work is critical to success
Contribute to our community by sharing their time and Talent.

Our young musicians often share their talents as members of music quartets, performing during community events such as local festivals, city celebrations, charities and local houses of worship. With your financial support, we have been able to provide scholarships for talented young musicians to access private lessons as well as summer music programs. Through a particularly generous grant from the Judith Haskell Brewer Foundation, students have also been able to attend college music camps during the summer months.

Each year we depend on YOU, our family of loyal supporters, to make up the 55% of our annual revenue not covered by ticket sales. We are grateful for your continued generous contributions to help us as we "Keep The Music Live" - today and in the future!

Musicians interested in performing with The Beaufort Symphony Orchestra, Inc. or the Beaufort Symphony Youth Orchestra should contact Frederick Devyatkin at (912) 232-7250 or Olive Warrenfeltz at (843) 524-1216 for audition information.
