Together we can do so much!”

*Dear Music Lover,*

The Beaufort Symphony Orchestra needs your help! Our ticket sales and advertisements cover approximately 50% of our expenses. Except for a small grant, we receive no State or County funds. The rest depends on you. All of our individual contributions come from people like you.

Your financial support helps to

- 1) Pay our talented conductor and professional musicians
- 2) Support our Youth Orchestra performances and trips
- 3) Pay our rent and storage fees
- 4) Cover the cost of our advertising and printing of playbills
- 5) Attract talented young soloists from around the world
- 6) Purchase sheet music and orchestral arrangements

We are a nonprofit, 501(c)(3) organization. All donations are tax-deductible. No donation is too small nor too large.

Help us “keep the music live” in the Lowcountry. Together we can do so much! Please send your checks or donate online at your earliest convenience. We appreciate your help!

Thank you,
