THE BEAUFORT SYMPHONY ORCHESTRA, INC.

Maestro Frederick Devyatkin, conductor since 1992, has captivated audiences with an array of music ranging from classical to entertainment favorites. During each concert, audiences are delighted by his educational and sometimes amusing insights specific to the music and composers.

Maestro Frederick Devyatkin began studying violin at age 6. He studied with Erick Friedman, at Manhattan School of Music,

David Nadien, former concertmaster of the New York Philharmonic, and William Preucil, former concertmaster of the Cleveland Orchestra.

Living in Savannah, Mr. Devyatkin is the orchestra director for St. Andrew's School. Mr. Devyatkin also conducts the Beaufort Symphony Youth Orchestra. When he is not teaching, playing his violin or conducting a symphony orchestra, Fred is taking photographs, riding his bike or swimming.

We welcome musicians interested in performing with The Beaufort Symphony Orchestra, Inc. or the Beaufort Symphony Youth Orchestra.

For audition information, contact
Frederick Devyatkin at (912) 232-7250
or Greta Sandberg (843) 476-1310 for the BSO,

ELYSE STROMER & GABE CHIRIGLIANO

VIOLINIST & CELLIST

Elyse Stroman is a 15 year old violinist from Ridgeland, South Carolina. She has been a part of the Beaufort Youth Orchestra for the past eight years and the Beaufort Symphony Orchestra for four years. She studies with Ms. Ami Rabinowitz and Mrs. Asako Kremer. Since leaning more into her musical pursuits, she has enjoyed playing chamber music with her friends, working on concertos and Bach pieces, as well as playing some fun fiddle tunes in her spare time. Aside from music, she enjoys reading books, horseback riding, and hanging out with friends. Starting her musical journey on the violin at two years old, Elyse is very grateful to her parents,

Jared and Nichole Stroman, for encouraging her to pursue her passion for music and providing her with so much love and support. She is also very appreciative of her sister, Kailyn Stroman, who is a proficient violist, and her friend Eden Engle, who is a stunning violinist, for their kindness and friendship as fellow musicians. Music has always been a major part of Elyse's life, and it has been something she has wholeheartedly enjoyed for many years. It has brought many amazing people into her life and she is very grateful for each person who invested their time into her as a person and as a violinist, and for God for presenting these outstanding opportunities to learn and grow. She is very excited to keep working towards her musical goals and can't wait to see what the future has in store.

Starting at 11 years old in Bluffton Middle School, Gabriel wasn't as ahead in music as the rest of his classmates were. It was later in 2020 when he started working on self improvement by beginning to take lessons with Mrs. Dominique Geer, the head of the Arco Music academy. After 3 years of work with her, he's been principal cellist for orchestras such as the Beaufort Symphony youth orchestra, Bluffton High School orchestra and the Atlantic youth orchestra in Savannah, GA. He has also qualified for the region and state orchestra on his first attempt, and is now playing with the Beaufort Symphony Orchestra. After reaching these goals, Gabriel is now studying with cellist Damian Kremer, the Assistant principal of the Charleston Symphony and a former cello professor of the College of Charleston. After high school, Gabriel is choosing to major in Music Performance in the University of South Carolina School of Music, where he'll continue to improve on his musical journey and to keep on the legacy that his musical family passed on to him.

TAMÁS KOCSIS

VIOLINIST CHEVALIER

Tamás is a native of Budapest, Hungary. At the age of nine he was accepted at the Liszt Academy of Music where he studied violin with Dénes Kovács. In 1989 he moved to the United States to work with Josef Gingold on a full scholarship at Indiana University, Bloomington, and later with Dorothy DeLay at the Juilliard School in New York.

He also received a full scholarship to the Aspen Music Festival. During these years he studied with Nelli Shkolnikova, Isaac Stern, Rostislav Dubinsky and János Starker.

Before his tenure as Leader of the Ulster Orchestra from 2010 to 2023, Tamás held Concertmaster positions with the Fort Worth Symphony and the Savannah Symphony. He also had Concertmaster positions at the summer festivals of Breckenridge and Crested Butte in Colorado.

He has been invited as Guest Concertmaster with the orchestras of Charleston, Tampa, Sydney, Dublin and Vancouver as well as being the Concertmaster of Opera Tampa. He recorded Brahms' Violin Sonatas and Piano Quartets with pianist Fabio Bidini for the EPR Encore label as well as Kurt Weill's Violin Concerto for SOMM and has made a number of recordings for Hungarian Radio and BBC.

He has also been honoured by receiving an Award from the European Council in 1994 and won the Artists' International Auditions in New York City in 1995. In 2006 he was knighted in Budapest.

BEAUFORT SYMPHONY YOUTH ORCHESTRA

MISSION:

Encouraging Musical Excellence

At the heart of our mission is the belief in the power of encouragement. We warmly invite all students—whether they are homeschooled or attend private or public schools—to join our musical community. Participation requires an audition, which we view as an essential step in fostering growth. Auditioning not only builds experience and professionalism but also provides each student with the opportunity for annual advancement.

To nurture and develop our students' skills, we offer a variety of scholarships. We believe that private lessons, combined with dedicated practice, have the most profound impact on a student's musical journey. Through these lessons, students learn the values of hard work and accountability, which in turn deepens their passion for music and their instrument. For our younger musicians, private lessons are crucial in helping them adapt to the orchestra environment. For our more advanced students, these lessons elevate their skills, preparing them for prestigious opportunities such as participation in elite music camps like Brevard, attending the Governor's School, or pursuing music studies at the collegiate level.

How You Can Contribute to Our Students' Growth:

There are several meaningful ways to support the development of our students in the program:

Student Scholarships: These scholarships ensure that every child who wishes to join our Youth Orchestra can do so,

BEAUFORT SYMPHONY YOUTH ORCHESTRA

regardless of financial circumstances. Students pay \$175 each year to participate, and your contribution can cover this cost, making music education accessible to all.

Lesson Scholarships: Private lessons are invaluable in honing a student's skills. We offer scholarships that cover 50% of the cost of weekly private lessons, with options for annual support at \$1,200 per student or monthly support at \$200 per student.

Instrument Donations: Some students may not have the means to own their own instruments, often relying on school-provided ones that cannot be taken home for practice. If you have a used instrument that is no longer in use, consider donating it outright or lending it to the BSYO. This generous act allows a young musician the opportunity to practice and grow.

Summer Camp Scholarships: These scholarships provide our students with the chance to attend summer music camps, tailored to their skill level. Younger students can participate in beginner Orchestra camps, while older students may audition for prestigious programs like the Brevard Music Center or Meadowmount School of Music, which offer intensive six-week courses. Your support can make these transformative experiences possible.

Growing the Orchestra:

For many years now, Ami Rabinowitz has developed a feeder program. This successful program has grown into a small cadet orchestra and year-round mentoring for a quartet. Anyone interested in joining an ensemble or having private lessons should call Ami at 843-263-6439 for information.

BEAUFORT SYMPHONY YOUTH ORCHESTRA

Bringing Music to Our Community:

Our talented students enrich the community with their musical gifts through a variety of performances and events. The BSYO proudly presents three concerts each year, with each concert performed in two different venues, resulting in six opportunities to experience the artistry of our young musicians right here in Beaufort County. This year, we are thrilled to have 15-20 dedicated students participating in the program.

If you haven't yet attended a BSYO concert, we warmly invite you to join us this season. Concert dates and locations will be available on our BSO website—don't miss the chance to witness the extraordinary talents of our youth orchestra!

Support the Next Generation of Musicians

Your contributions are tax-deductible and play a crucial role in funding scholarships for our BSYO students, helping them pursue their musical education. If you're interested in making a difference, please reach out to Greta Sandberg at 843-476-1310 or GretaSeasideSC@gmail.com. Your generosity can help shape the future of music in our community.

The Prodigy Project

The Prodigy Project is a unique start-up program that brings young, star quality performers from all over the world to Beaufort. These youngsters are given round trip airfare, paid for their performances and housed for a week, beginning with rehearsal and completing with the Sunday performances. This program is intended to bring new talent to our community in Beaufort, help the Beaufort Symphony and demonstrate to extraordinarily talented students how important their talent is to the world. Funds for this program are 100% covered by donations. Please consider supporting this program.
